CURRENT NOTES OF THE TURF

Trainer W. H. Karkick has one of the largest stables quartered at Belmont Park, close to forty being in his charge. The majority are two-year-olds.

Andrew Miller's great racer, Roamer, is taking his early training in a manner that suggests he will be ready for one of his engagements at Havre de Grace.

Nash Turner has the T. P. Thorne string of racers quite forward in condition, according to reports from Gravesend, where they are training. Sycamore, his Preakness candidate, is said to be coming along well.

SEARCHING FOR WINNERS OF THIS YEAR'S TURF PRIZES IN THE LIST OF STAKE WINNING HORSES OF 1917

Many and valuable were the stake races decided in 1917. Even more valuable are the stake offerings to be contested for during the current year. With the opening of the eastern racing season in Maryland and the close approach of the Kentucky spring meetings, more than ordinary interest is being shown in the training of the candidates for the big turf prizes east and west. In searching for the probable winners of these coming events, it is quite natural that we look over the records of the stake winning horses of last year. To a two-year-old, W. S. Kilmer's Sun Briar, fell the richest plums of 1917. This high-class foreign-bred youngster won the Hopeful Stakes, the richest of the year, worth \$30,600 to the winner; the Saratoga Special, with a net value of \$11,750, and several other stakes. The total net value of all being \$39,330. Omar Khayyam, one of the greatest horses of recent years, is second on the list, his stake winnings amounting to \$48,500. Omar won more stakes than Sun Briar, but of less value; the Kentucky Derby being the most valuable of his successes, the net value being \$16,600. Another two-year-old in G. W. Loft's home-bred Papp is next with \$39,750 to his credit. Then comes Omar Khayyam's great rival, Hourless, the Belmont colt's stake winnings amounting to \$28,100. Closely following this great three-year-old is an older horse, no other than the sensation of the year, the so-called "miracle horse," Old Rosebud. W. E. Applegate's great gelding won seven stake races of the total net value of \$25,190, meeting and beating the best handicap horses of the matured division. Had the values of the stakes for the older horses been on a par with those offered the two and three-year-olds, Old Rosebud would probably have finished at the top of the list. Roamer was another old horse to figure prominently in the stake winnings of the year, his total being \$13,800. The sensational Tipity Witchet duplicated Omar Khayyam's record in stake events as far as numbers are concerned, winning eight and finishing second twice, but the value of Tipity's stake successes were comparatively small, his total winnings amounting to only \$12,855. The stake winning horses of last year, with the list of their successes in such races, are here presented:

JUDGE WINGFIELD VICTOR

Takes Bowie's Feature Race from All Smiles with Ease.

Sid C. Keener First in the Two-Year-Old Dash—Rodriguez on Three Winners.

Bowie, Md., April 4.—Racing of a sensational character featured the fourth day of the Southern Maryland Agricultural Association meeting at Bowie today. The finishes in a majority of the races were exceedingly close and of the driving variety. That in the third race was especially so and J. M. Zimmer's old campaigner, Preston Lynn, furnished a thriller by coming from the rear, after being out-paced in the early running, and in a terrific closing rush snatched victory from the three-year-old Orner by the smallest of margins. The hustling ride and strong finish of J. Rodriguez was in a great measure responsible for Preston Lynn's success.

Rodriguez was much in the limelight during the afternoon, piloting three winners and finishing second with two others. Besides Preston Lynn, Rodriguez rode Senator Broderick to an easy win in the fifth and also landed Margery first in the closing dash, in which instance he again had to put up a strong finish to prevent his mount from succumbing to the fast finish of Tootsie.

In the fourth race Judge Wingfield showed to his best form and easily outran his opponents from start to finish. The Busybody and Huda's Brother hooked up in a grueling contest in the sixth, the former holding a small lead all the way and Stirling took no chances and rode him out at the finish. The juvenile race went to the California-bred Sid C. Keener which, under the masterly riding of Butwell, proved too fast for those opposing him. Indian Chant's success in the second was of the hair-raising kind, in which K., despite a resolute and fast closing rush, could not overtake the leader.

Jockey Stirling rode two winners, Indian Chant and The Busybody.

Jockey J. Butwell has been notified that he has been granted a transfer from Camp Upton, New York, to Camp Meade, in Maryland. Butwell will enter the service tomorrow.

William Garth was in a jubilant state of mind today, due entirely to the fact that he is the proud possessor of seven foals, with eleven more expected daily. Among the foals is a colt, dam Top Rock, the dam of Agnes Cook and by Berrillon. Top Rock is a half-sister to the good racer Tom McTaggart.

Among today's arrivals from New York were Larry Ryan and Sandy McNaughton.

EMIL HERZ PLEASD WITH HIGH COST

Confident That He Has Secured High-Class Colt—Derby Training to Start Immediately.

Louisville, Ky., April 4.—Emil Herz arrived here in time to see his recent purchase High Cost taken off the cars. He was well satisfied with the colt's appearance. Yesterday morning the colt was given some hammering up exercise around the Douglas Park track. He was closely scrutinized by horsemen and found to be a colt of fine appearance. He is a medium sized horse and bears a strong resemblance to his sire Von Tromp, although he is not as big. Trainer Flanigan has already taken the colt to hand and will start forward his preparation for the Kentucky Derby.

Mr. Herz declined to state the amount of money he had paid Ray Egan for the son of Von Tromp, but he remarked that he had paid enough. He believes, however, that he has secured a really high class colt, having always entertained a high opinion of both the colt's sire and dam. He had often seen Mitten under colors and believes she was one of the best long distance running mares in this country.

High Cost may or may not prove to be a high-class three-year-old, but there is no denying the fact that he was a most useful two-year-old. His record last year of six victories in seven starts proves this conclusively. His training for the Derby will be watched by local turf experts with an interest almost as keen as that shown about Sun Briar and Escoba.

Mr. Herz, upon his arrival here, learned that two of his most promising two-year-old fillies were seriously ill. One of them is by Plaud—Handzarra and her case is the more serious of the two. Herz left today for Lexington to inspect his stallions and mares now at Idle Hour Farm. He will return shortly and expects to remain in Louisville until Derby Day.

JOCKEY HENRY RULED OFF TURF

Final Day Rulings of Hot Springs Officials—The Meeting a Great Financial Success.

Hot Springs, Ark., April 4.—From a financial point the Oaklawn Park meeting, which terminated yesterday afternoon, was the greatest ever held here. During the first three weeks of the meeting the attendance was of large proportions. The limit number of price quaters were on daily and had there been more room they would have exceeded the forty-four limit. The weather has been good and the track conditions well adapted at all times to good sport.

The drawback was in the poor racing material. At no former time has there been such a surfeit of poor horses. Oaklawn Park has certainly been a Mecca for them this season, due to the richer prizes that they were enabled to race for. The racing, on the whole, has been enjoyable and the supervision vigilant. Judges Nelson and Campbell have not hesitated in applying punishment when necessary.

Yesterday the officials handed down a ruling which debars former jockey John Henry from turf privileges for his alleged tampering with the filly Mary Belle. This followed his conviction in a local court. The judges also ruled off Lawrence T. Beasley for his attack on Charles Pyle, a witness in the Henry case. The judges' final action was to warn off from tracks trainer M. C. Keefe for practices prejudicial to the best interest of racing.

Francis J. Nelson, who presided here, left today for his home in Toronto, Canada. Secretary Associate Judge J. B. Campbell will motor to Louisville, where he will resume work at the Churchill Downs track. Wash Norvell, who officiated here as clerk of scales, will go to Baltimore.

O. Johnson, represented in the last race yesterday by Dancer, claimed H. C. Basch for \$1,200.

HAVRE DE GRACE RACING PROGRAM

Seven Races Daily, with No Purse Less Than \$600—
The Order of the Stake Races.

Havre de Grace, Md., April 4.—Racing Secretary F. Rehberger has distributed the program book for the spring meeting of the Harford Agricultural and Breeders' Association, to be held at Havre de Grace from Tuesday, April 16, to Tuesday, April 30, a period of thirteen racing days.

There will be seven races daily, with no purse less than \$600, the majority being of the \$700 variety, with a liberal sprinkling of \$800 handicaps and allowance races. The Harford Handicap for three-year-olds and over, with \$1,500 added, will be the opening day attraction. To the purses of the six overnight races for the opening day will be added the surplus bids of \$934.02, which the Harford association received during the last two days of the September meeting of 1917. This sum will be divided into six equal amounts, making \$155.67 for each race. Under this arrangement the six overnight purses will total \$4,934.02.

The officials for the meeting will include W. S. Vosburgh, handicapper; C. Cornelissen and H. U. Homan, judges; James Milton, starter; F. Rehberger, racing secretary; H. U. Homan, clerk of the scales; William Jennings, paddock and patrol judge; James McLaughlin, patrol judge, and James Kueale, timer.

The order of the running of the stake events has been decided as follows:
Harford Handicap, Tuesday, April 16.
Wilmington Stakes, Thursday, April 18.
Philadelphia Handicap, Saturday, April 20.
Aberdeen Stakes, Monday, April 22.
Penn Stakes, Wednesday, April 24.
Perryville Stakes, Thursday, April 25.
Susquehanna Handicap, Saturday, April 27.
Chester Stakes, Tuesday, April 30.

HELPED SAVE RACING IN MARYLAND

Legislature Appreciation of Vast Importance of
Thoroughbred Production for National Defense.

Col. Matt J. Winn, manager of Churchill Downs and Laurel Park tracks, in commenting on the overwhelming victory of racing in Maryland, where all hostile legislation against the sport was killed last week, said that it was the appreciation by the Legislature of Maryland of the vast importance of the thoroughbred production for the national defense that won for racing in the bitter fight for the maintenance of the sport in the Old Line State.

"The racing and breeding interests of Maryland," said Colonel Winn, "put forth the argument advanced by Maj. Gen. Leonard Wood some years ago, while General Wood was chief of the general staff, that thoroughbred blood is indispensable in the military horse. We were supported in this contention by Major General Kuhn, the commander of Camp Meade; Brigadier General Nicholson and Hero, Col. Raymond Briggs, of the Three Hundred and Eleventh Field Artillery; Colonel Johnson, the commander of the camp of engineers at Laurel Park; and other officers, and we won in the House of Delegates, a branch of the Legislature in which we feared we might be beaten. Obviously, therefore, this proposition, which is little understood outside army circles in this country, brought the House over. To say that was gratifying is putting it lightly. This recognition of the essential connection between thoroughbred production, the effectiveness of which hinges, inevitably, on clean and successful racing, by the Legislature of Maryland is highly significant.

"It foreshadows a coming country-wide appreciation of the real mission of racing, which, ultimately, will restore the thoroughbred to his own everywhere. Now that the developments of the great war have made the maintenance of a great permanent military force in this country indispensable, the people of the country may depend upon it that the racing associations of the Old Line State, working in harmony with Maryland's sportsmen and breeders, will do their utmost toward encouraging the production of military horses of the right sort in numbers that will be of real military value to the nation.

WILL SHOW DUE APPRECIATION.

We will show the army, in a substantial manner, that the army's support of racing is properly appreciated, and we will show the farmers and stock raisers of Maryland and other states that horse production for military purposes is a matter of vital importance, in an economic sense, to them. Maryland is in for one of the most attractive racing seasons in her history. The Pimlico Spring Handicap, the Preakness, the Green Spring Valley Steeplechase and the excellent programs of the Havre de Grace and Bowie tracks have already brought the best horses and the best to the state. The autumn program of the same tracks will bring down an even better seasoned band of campaigners of various ages.

"Kentucky racing, which will give a matter of \$310,000 to the Red Cross this year, will be equally good. The coming Derby at Churchill Downs promises to be an exciting race as was ever run in the Blue Grass state. The difficulties of transportation may prevent us from attracting to Churchill Downs in May as many of the formidable eastern three-year-olds as we would like to have, but it is enough, perhaps, that Sun Briar, the biggest two-year-old money winner of 1917 and the current champion of the year, is to start. "It looks now as though the Derby might resolve itself into a duel between Sun Briar, representing the east, and Kenneth Alexander's Escoba, representing the west, and this sectional rivalry will have a stimulating effect everywhere. The shrewd trainers at Churchill Downs do not seem to expect the slightest doubt of the ability of Sun Briar to maintain his speed over a long distance of ground and Willis Sharpe Kilmer's great colt is training famously under the eye of Henry McDaniel. Nevertheless he has the Derby to win. From what they tell me at Louisville I should say that Escoba is about as good a horse as ever trained for a Derby. He is big, powerful, makes a smooth, gaited and fast, and he, too, will go all the way."

ALL HAVRE DE GRACE STABLES TAKEN

Entire 850 Stalls Already Spoken For, with Many
Additional Applications Pouring In.

Havre de Grace, Md., April 4.—There are 850 stalls at Havre de Grace and every one of them has been reserved. General Manager Burke has had to turn a deaf ear to numerous additional applications for stalls.

This situation is entirely due to the eight or nine weeks of training weather horsemen who wintered their stables in Maryland, New Jersey, Pennsylvania and New York have experienced. Hundreds of horses that would not, in less propitious seasons, have been as far advanced at the end of April as they were at the end of March. Practically ready for the colors, and if they cannot find stabling at Havre de Grace track they must mark time until the Jamaica meeting on Long Island. The trainers of these horses have been unable to get stabling at the Harford County track because, not knowing six and seven weeks back that their runners would be in such excellent condition at this time, they neglected to apply for stalls until everything at the track had been pre-empted.

The horses now at Havre de Grace and the horses that will be coming on this week and next will find excellent going for galloping. Already two-year-olds of the Rose and McDaniel have been showing quarters 23½ and 24½ in 48 or thereabouts. The track, really, is in as good condition as it was last fall.

BIG STRING COMING FROM NEW YORK.

James Fitzsimmons has sent word that he will be down from New York April 8 with thirty runners belonging to James F. Johnson and other eastern horsemen. Michael Daly and Louis Feustel will arrive from Berlin, Md., April 8 with the stables of Mr. and Mrs. Walter M. Jeffords and Samuel D. Riddle, and Feustel will bring his own popular sprinter, He Will, with the Riddle campaigners. There are forty horses of various ages in the combined Riddle and Jeffords stables.

Next week the Havre de Grace colony will be reinforced by twenty members of the stable of Richard T. Wilson, president of the Saratoga Association, ten belonging to the stable of A. K. Macomber, ten belonging to Captain William J. Press of Toronto, twenty belonging to J. O. Talbott and Abner Clopton, eight belonging to George W. Loft of New York, twenty belonging to William Woodard and P. A. Clarke, ten belonging to Thomas Clyde and A. C. Weston, twenty belonging to William Garth, Captain Rat Parr, E. P. McLean, J. S. Cosden and Lewis Garth; twelve belonging to George Wingfield, Nevada's most extensive breeder of thoroughbreds; thirty belonging to Richard F. Carman, Richard F. Carman, Jr., and Wilfrid Viau of Montreal; twenty belonging to Edward McBride and C. E. Clements of Boston and ten belonging to William L. Oliver. Papp, which is to be prepared at Havre de Grace for the Preakness will be in the Loft string, which Max Hirsch will have in charge. Westy Hogan and Omar Khayyam will be in the Viau shipment.

It looks just now as though Maryland is in for a mild, pleasant spring. The trees are in full bloom, the grass is green everywhere. Old inhabitants declare that this is the earliest spring of the last twenty-five years, as the winter just past was the toughest winter.
